RE: Amendment to Utility application#10/792148

Dear Sir:

Enclosed please find a form PT0-1083 and a replacement sheet for FIG.14. The amendment consists in removing the central section of item 85 to make both items 85 the same. This item is explained on page 16 line 1 and its operation on page 16 lines 16-19. The item is claimed on page 25, lines 6-9.

As item 85 is made to spin with item 55 the central section must be removed so item 67 will remain suspended downwards as mentioned on page 25, lines 3-4.

Thank you for your best attention to this matter,

Sincerely,

Edwin Newman
